FCHS Athletic Boosters

We are...

- A parent run **volunteer** organization
- We provide support through fundraising activities
- The money that we raise directly benefits our athletes, our coaches and the facilities on which they practice & play.
- FCPS only pays a small part: Boosters pay for:
 - athletic equipment,
 - uniforms and other gear,
 - facility items,
 - field maintenance,
 - awards and scholarships,
 - administrative expenses and special requests, and
 - team invitationals and coach's conferences.
