

# Falls Church High School Athletic Boosters Sponsorship Opportunities

Dear Business Leader,

Falls Church High School (FCHS) is proud of both our competitive academic and athletic programs. Everyday, I see first-hand how athletics helps our students; not only do students do better academically; they gain leaderships skills that will help them all their lives.

We're looking for local businesses to help support our student athletes through advertising sponsorships. The county school system only funds a small percentage of our athletic budget. We need our community to make up the difference. This opportunity is an incredible way to reach new and existing customers and build your brand as a business that supports the local community. In addition, some local businesses may be marketing to their potential employees by supporting our students.

We are excited to offer dynamic sponsorship packages to showcase your company during games and throughout our community communications.

Sincerely,  
Greg Weisbecker, FCHS Director of Student Activities
